Permanent starting blocks and non-turbulent lane markers will be used. Colorado timing with a 10-lane display will be used. There is ample balcony seating for spectators. Lockers are available (provide your own lock). Public phones will be available. The competition course has not been certified in accordance with 104.2.2C (4).

Eligibility – The Michigan Swimming Red Junior Olympic Meet is the middle level meet (Above Districts and below State Championship meets) Thus, it is a “Faster than / Slower than” time standard swim meet. All swimmers must be currently registered with United States of America Swimming (USA-S). A swimmer's age on March 3, 2017 will determine his/her eligibility for a particular age group.

Meet Format – The format at each of the three Junior Olympics Championship Meets is identical. All events are timed finals. All 10 & Under and 11-12 age groups will swim in the AM sessions. All 13-18's will swim in the PM sessions. Relays are offered. The 13-18 Age group events will be swum together but split into 13&14 and 15-18 age groups for awards. All events will be swum slowest to fastest except for the 400 IM, 500 Freestyle, 1000 Freestyle, and the 1650 Freestyle which will be swum fastest to slowest. The 400 IM, 500 Freestyle and the 13-18 1650 Freestyle will also be swum alternating genders female/male.

Team Venue: For the 2017 Junior Olympics Championships meets all teams registered with MS will initially be assigned by the MS Programs Operations Vice Chair to one of the three JO “venues”. These venues are geographically located throughout the State of Michigan in an effort to equalize the size (total entries) of the meets as well as equalize the travel distance to the meets. The Junior Olympic meets are referred to as the “Red, White, and Blue” meets. Each MS team will send their entries to the initial venue assigned by the Programs Operations Vice Chair and compete at that venue (i.e. a MS team cannot choose which venue they will compete at). After the entries are received at each venue, the Program Operations Co Vice Chairs at their discretion have the right to, and may, reassign clubs to a different meet venue to balance entries in an equitable manner between each venue. Teams will be notified as soon as possible if their swimming venue has been changed. Please contact Joe McBratnie at joe.mcbratnie@miswim.org if you have any questions.

Time Standards: To enter an event the swimmer's fastest time achieved between January 1, 2016 and March 2, 2017, must fall between “Q2” (JO minimum qualifying) and the “Q1” (State qualifying) time standards (a “Faster than/Slower than” situation). A swimmer may only compete in events in which they do not have a Q1 State Championship qualifying time prior to the JO Meet. Any swimmer who has achieved a SCM or LCM Q1 time cut which will allow the swimmer to enter an event in the 2017 Short Course State Meet is ineligible to enter or compete in the same event in the JO meet. This includes any 8 & under swimmer who has achieved the 10 & under Q1 standard. If a swimmer achieves a Q1 time in an event after his/her entry has been sent to the JO Administrative Official but on or before March 2, 2017, the swimmer must withdraw from the event unless the “Age Up” exception below applies. Should a swimmer be required to withdraw, they will be refunded the event fee.

Age Up Exception: All swimmers who “age up” after JOs and before their respective State Meet, either 12 and Under or 13/14 & Open, and who don't have a Q1 (State qualifying) time in their new State Meet age group may enter that event in their current age group at JO, at a seed time at or faster than their current age groups Q1 Time. This additional entry option is intended to allow all swimmers an opportunity to qualify for the State Meets in their actual age group at the State Meets. Swimmers who enter an event at JO under the “age up” exception are not, however, eligible for awards at JO in that event. Please alert the Administrative Official to all “Age Up” entries by enclosing a statement to that effect and send it in an email to the Administrative Official using the email address listed below. These swimmers must be marked as exhibition in your entry.

Swimmers Without a Coach - Any swimmer entered in the meet, unaccompanied by a USA-S member coach, must be certified by a USA-S member coach as being proficient in performing a racing start or must start each race from within the water. It is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.

Individual Entry Limits – There will be relays offered this year at the Junior Olympic Meets. Swimmers may enter 1 relay per day. Swimmers must be entered into the meet in at least 1

individual event in order to swim a relay (NO RELAY ONLY SWIMMERS). Additionally, teams are limited to an A and B relay for each relay event. Swimmers may swim a maximum of 1 individual event Friday and 3 individual events and 1 relay each day Saturday and Sunday.

Entry fees - \$5.00 per individual event and **\$12.00** per relay event. Please include a \$5.00 Michigan Swimming surcharge for each swimmer entered. Make checks payable to: GRNSA.

Entry Procedure: Michigan swimming has adopted USA Swimming's OME (Online Meet Entry) as the sole process for entering teams and individual swimmers into the Junior Olympic Meet. Times achieved at any USA Swimming sanctioned, observed or approved meet will appear in OME. Entry **opening** date is Tuesday February 21, 2017. Entry **closing** date is Tuesday February 28, 2017 at 8:00 AM. Follow the step by step instructions to complete your entries:

- Step 1** Go to www.usaswimming.org/OME
- Step 2** Click on "Available Meets", select Michigan Swimming LSC, and then click on "Search". Scroll down to locate the **Red Junior Olympic Meet** from the list of meets.
- Step 3** Click on "Enter team" and login using your team login (HEAD COACH ID); or you may need to create an account for your team, then login. A pick list of your athletes who have qualifying times in SWIMS will appear. From here, select the events you want to enter. Athletes whose times are not in SWIMS must enter using the custom time option. If a custom time is entered and the athlete does not swim the time standard established for that event, a proof of time will be required to be sent to the MS Office. If after thirty (30) days a proof of time is not received for any athlete, a report will be furnished to the MS Board of Directors.
- Step 4** Double click on the athletes who you want to enter into the meet and complete your entry. You may add to your entry. It does not have to be completed at one time.
- Steps 5** When you are finished make sure to check out. You may pay by sending a check to the Payment Contact (see PAYMENT CONTACT section). **Make sure your entry is done before you checkout. You will not be able to change it after checking out.**
- Step 6** You will receive an email confirming your entries.
- Step 7** Mail your completed Release and Waiver, Certification of Registration Status, and check to the Meet Host payment contact. Mail or email any necessary proof of time documents to the Administrative Official.

Since this is a MS Championship Meet, the 4-hour rule does not apply.

Refunds - Once a team or individual entry has been received and processed by the Administrative Official there are no refunds in full or in part unless the "over qualification exception" applies (see MS Rules).

Entries - Your Club's Entry, Entry Summary Sheet, Release/Waiver, Certification of Entered Athletes and Check should be sent via U.S. mail or nationally recognized overnight courier to:

Check In - Check In will be available as of 30 minutes before warm-up starts for each session. Check in is mandatory for all events and is required by the time set forth in this meet announcement. Failure to check in will cause the swimmer to be scratched from all events in that session. **Check in will close 15 minutes after the start of warm up for each session.** Check in sheets will be posted in the hallway leading to the locker rooms.

Scratch Rules - Prior to check in close a swimmer may scratch events at the Clerk of Course. After check in closes, you must see the Meet Referee to scratch an event.

Marshaling – This meet is self marshalled.

Seeding - Seeding will be done after check in closes. All events will be swum slowest to fastest except for the 400 IM, 500 Freestyle, the 1000 Freestyle, and the 1650 Freestyle which will be swum fastest to slowest. The 400 IM, 500 Freestyle, and the 13-18 1650 Freestyle will also be swum alternating genders female/male.

Deck Entries/Time Trials - Deck Entries will not be allowed. Time trials for eligible athletes, other than the already allowed Age Up athletes, may be offered if timelines allow at all three JO meets. This will be determined after the entries have closed and all three meets are seeded. Opportunities will be based on equally providing this opportunity at all meets. This decision will be made by Program Operations, the Sanctioning Chair, and the Meet Referees for each meet. The notification of this decision will be posted to the Michigan Swimming web site and emailed out to the membership no later than Thursday, March 2, 2017. Time Trials, if agreed to, will be **\$7.50** per Time Trial. Entry into these Time Trial events does not count as an individual entry and is not subject to the 4 per day entry limit. Only one (1) time trial will be allowed per swimmer per day. "Age Up" time trial swimmers who are not entered in the meet must prove their USA-S membership by presenting their USA-S membership card, have a print out from their Club portal on the USA-S website, or the athlete may also enter by showing their membership from USA Swimming's DECK PASS on a smart phone. Name, athlete ID and club affiliation should then be added to your database just as it appears on the card, or list or the swimmer may compete unattached (UN). All time trials will be Open events.

Meet Programs/Admissions - Admission is **\$5.00** per person per day with 10 and under free with a paying adult. Heat Sheets are available for **\$2.00** per session.

The Junior Olympic Meet is the next level of Championship Meet after the District Championship Meet. Those with times **slower than the Q1** time but **faster than or equal to** the Q2 (JO Standards) as listed above are eligible to swim that event at the JO Championship Meet. Swimmers who have met or surpassed the Q1 State Meet time standard (the "slower than" column) are **not** eligible to swim that event in the JOs. Once a swimmer has **met or surpassed** the Q1 time standard in an event the swimmer is eligible for the State Championship Meet. The JO Meet has a 13-18 age group which differs from the State Championship Meet (which is 13-14 & Open)

The Junior Olympic Meet is the next level of Championship Meet after the District Championship Meet. Those with times **slower than the Q1** time but **faster than or equal to** the Q2 (JO Standards) as listed above are eligible to swim that event at the JO Championship Meet. Swimmers who have met or surpassed the Q1 State Meet time standard (the "slower than" column) are **not** eligible to swim that event in the JOs. Once a swimmer has **met or surpassed** the Q1 time standard in an event the swimmer is eligible for the State Championship Meet. The JO Meet has a 13-18 age group which differs from the State Championship Meet (which is 13-14 & Open).

USA Swimming and Michigan Swimming are working to increase awareness and reduce the risk of athlete abuse through implementation of the USA Swimming Safe Sport program.

5 Tips to Keep Kids Safe in Youth Sports*:

1. **Get Educated** – Education is the most important tool for combatting misconduct
2. **Create Healthy Boundaries** – It's important to establish healthy boundaries between athletes and coaches and have clear expectations about the coach's role
3. **Identify and Address High Risk Areas** – For misconduct to take place, an offender needs privacy, access, and control
4. **Speak Up** – If you recognize questionable behaviors, say something!
5. **Talk to your Kids!** – Physical and sexual misconduct can be a hard topic for parents to talk about with their children. Having these conversations is extremely important in helping prevent your child from becoming a victim of abuse
