**PROOF OF TIMES** - Michigan Swimming will accept all qualifying times contained in USA Swimming's SWIMS database, as well as times from meets sanctioned by other national governing bodies including college, high school, Masters, YMCA, and foreign meets approved by FINA that have been run on approved meet management software within the qualifying period. The SWIMS database contains results of all sanctioned, observed and approved meets held in the USA for athletes who are registered USA swim member at the time of the swim. Times from the SWIMS database are proven times and do not require any further proof. If a time does not appear in OME it is **NOT** a proven time. Use the custom time entry function to enter the meet with this time and send in a proof of time.

Custom times are NOT proven and require a proof of time submission to the Michigan Swimming Office. If you do not supply an acceptable proof of time before the proof of time deadline, the swimmer will be scratched from all events requiring the proof of time. Refunds will not be issued for failure to supply a proof of time.

Acceptable proofs, include printed meet results which clearly identify the meet host, meet location and meet date as well as the name of the event and the names, clubs and times of other swimmers in the event. The **preferred** proof is a locked Meet Manager backup of the meet results. Team Manager export files are also acceptable but are not preferred. Computer printed award labels and/or time cards signed by a meet referee are **NOT** acceptable for proof purposes.

**PROOF OF TIME DEADLINE** - All proofs for times must be submitted to the Michigan Swimming Office by **March 6, 2019 at 6:00 pm**. However, all clubs are encouraged to send them as soon as possible. Swimmers whose times cannot be proven will be rejected and will not be entered in that event. Any rejected entries will be notified using the email address provided in OME. Email all proof of times to the Michigan Swimming Office at: [Proofoftimes@miswim.org](mailto:Proofoftimes@miswim.org).

**RELAY PROOF OF TIME** - With the OME system, THE TEAM OWNS THE TIME and the only proofs needed are if a team overrides the entry time (i.e. Uses a "custom time") and does not swim equal to or faster than the cut.

If an override (custom) time is used for the relay entry and the team is DQ'd or swims slower than the cut, then they will have to prove the time after the meet.

This is done by proving the aggregate time for the four individuals who actually swam on the particular relay within 30 days following the conclusion of the meet to the Michigan Swimming office. The aggregate time to be proved need not be equivalent to the submitted entry time for the relay, however, the time must be at or faster than the qualifying standard for the relay event.

Aggregate proof times must all be equivalent (i.e. all SCY, all LCM, all SCM), all times must have been achieved during the qualifying period and may not use conversions in determining the submitted proof of time. Failure to prove a qualifying aggregate time within the 30 days will result in a fine of \$100 payable immediately to Michigan Swimming. Failure to pay the \$100 fine will result in that team being barred from participating in any future events sanctioned or approved by Michigan Swimming until the fine is paid.

**ENTRY FEES** - The fees are **\$10.00** per individual event and **\$15.00** per relay. Please include a **\$5.00** Michigan Swimming Athlete Surcharge for each swimmer entered. Entry fees may only be paid by check. Please make checks payable to: **JAWS**

**MISSED ENTRY** - A Coach or an Entry Chair who has made an honest mistake and inadvertently failed to enter a swimmer and/or swimmer in an event by the entry deadline may then do so by: entering the athlete(s) and/or event(s) by the scratch deadline of the first day of the meet and by paying a fee of \$100.00 per team and double the entry fee for the event. Providing a paper proof of time (meet results) to the Meet Referee at the time of the entry. These fees will go to the meet host for the administrative burden resulting from late entry. The Meet Referee's decision is final and non-appealable.

**RELAY ENTRY** - Each team may enter no more than two (2) relays in a relay event. Relay entries must be designated as "A" and/or "B". "A and/or B" relays must be entered with a seed time, and the seed time must be at or faster than the qualifying standard for the relay event. "A and/or B" relays may be entered without proof of a qualifying time. Teams may enter relays by entering a relay time for the team which is already in SWIMS, by entering an aggregate time from SWIMS, or they may enter a custom time for the relay(s). Swimmers participating in an individual event(s) and "Relay Only Swimmers" are eligible to compete on an A or B relay.

All relay swimmers must be entered using OME. Athletes not on the OME entry report are not eligible to swim at this meet.

Additionally, the swimmer will not be seeded in any further individual events on succeeding days unless that swimmer declares intent to swim prior to the close of the scratch box for that day's event. (See Meet Referee or his/her designee).

**Finals** - If a swimmer qualifies for a finals event as a result of his/her preliminary swim and fails to properly scratch or fails to properly declare an intention to scratch pursuant to the rule within 30 minutes after the final qualifiers are announced, and fails to compete in that event final, the swimmer will be barred from further competition for the remainder of the meet.

NOTE: If a swimmer declares that he/she may want to scratch an event but does not return to confirm that scratch within 30 minutes following the conclusion of the swimmer's last event, the swimmer will

be seeded into the Finals event, and will be similarly penalized if the swimmer does not compete in Finals. (See Meet Referee or his/her designee).

**Additional \$50 Penalty** - In addition to the procedures and penalties stated above, if a swimmer participates in any event in this meet and then fails to compete in his/her last scheduled individual event of the meet without being properly scratched for that event, he/she shall be fined \$50 payable immediately to MS.

USA Swimming and Michigan Swimming are working to increase awareness and reduce the risk of athlete abuse through implementation of the USA Swimming Safe Sport program.

**5 Tips to Keep Kids Safe in Youth Sports\*:**

1. **Get Educated** – Education is the most important tool for combatting misconduct
2. **Create Healthy Boundaries** – It's important to establish healthy boundaries between athletes and coaches and have clear expectations about the coach's role
3. **Identify and Address High Risk Areas** – For misconduct to take place, an offender needs privacy, access, and control
4. **Speak Up** – If you recognize questionable behaviors, say something!
5. **Talk to your Kids!** – Physical and sexual misconduct can be a hard topic for parents to talk about with their children. Having these conversations is extremely important in helping prevent your child from becoming a victim of abuse.
