

Portage Aquatic Club

We would like to welcome you to the 2019 Summer Solstice swim meet. Attached you will find the pre-scratch session report and pre-scratch psych sheet for this meet. Please be sure to bring your waiver & release form and payment for the meet, if you haven't done so already.

Important information to parents and swimmers:

1. We will be beginning the morning session 30 minutes later in order to close the gap between the morning session and afternoon sessions. This means that **warm-up will begin at 8:00 am** both Saturday and Sunday. The meet will promptly begin at 9:00 am both days. No other anticipated changes to the timeline or schedule are anticipated.
2. Remember, the Kalamazoo KIK pool is a City-owned facility and all rules regarding weather are set and followed by the City of Kalamazoo.
3. The pool is outside and there is NO seating for swimmers or parents. Parents should bring folding chairs, umbrella's, suntan lotion, blankets, bug spray, etc. Many teams bring tents to keep the kids out of the sun or weather. The red line around the outside of the pool is to indicate where the pool deck starts, and seating begins.
4. On Saturday morning, the Kalamazoo City Market is open across the street from the pool, so please be sure to arrive early to get your parking space. Parking will be available in the lot adjacent to the pool to the South and there is supplemental parking at the North end of the grounds and there is additional parking in the street.
5. Post Consumer Brands has generously donated 400+ boxes of cereal for swimmers to pick up at check-in.
6. Earthbound Tee-Shirt design will be available both Saturday and Sunday, Energy Smoothie will be there providing refreshing beverages and concession stand will be available throughout the meet.
7. Facility locker rooms are for athletes only. Porta-Johns will be available for parents and spectators use.
