The fastest seeded heat (top 8) after scratches of the 800 Freestyle will swim during the finals sessions. The remaining heats of these events will swim in the morning sessions and be swum fastest to slowest and alternating gender (female/male). Swimmers should consult the heat sheets carefully for their heat and lane. Each swimmer must provide a timer and lap counter. All heats of the 1500 Freestyle will swim in the preliminary session.

Awards and scoring/place for these timed finals events are determined by all the athletes' performances in all the heats (i.e. times achieved in the preliminary heats are used to determine the top 16 finishers even though the time was not achieved in the Finals.

The fastest two heats of the 400 Freestyle and the 400 IM will be circle seeded and the remainder of the heats will be seeded slowest to fastest.

Para-Swimmers will be seeded with the able-bodied swimmers in prelim events but will swim in a separate final ("C") per the following Michigan Swimming Rule and Procedure. Para-swimmers shall be seeded with other Para-Swimmers unless there is only one swimmer. If only one swimmer is competing, the Para-swimmer shall be seeded with able-body peers as appropriate yet scored and awarded separately.

The entry fee is \$10.00 per individual event and \$15.00 for relays. Time trials sign up will begin at 10:00 am each day of the meet. **Time Standards** – 2022 Michigan Swimming ULTRA Time Standards will be used.

Conversion/Entry Times – No time conversions permitted. Submit times in Short Course Yards, Short Course Meters or Long Course Meters.

**Proof of Times** - Michigan Swimming will accept all qualifying times contained in USA Swimming's SWIMS database, as well as times from meets sanctioned by other national governing bodies including college, high school, Masters, YMCA, and foreign meets approved by FINA that have been run on approved meet management software within the qualifying period. The SWIMS database contains results of all sanctioned, observed and approved meets held in the USA for athletes who are registered USA swim members at the time of the swim. Times from the SWIMS database are proven times and do not require any further proof. If a time does not appear in OME it is **NOT** a proven time. Use the custom time entry function to enter the meet with this time and send in a proof of time.

Custom times are NOT proven. If the athlete fails to swim at least the state cut in an event that has a custom time built, the team, or athlete if not attached to a team, will have 30 days from notification to prove the time. Failure to prove the time will result in a \$100.00 fine to the team, or athlete if not attached to a team, per event. Failure to pay the fine will result in that team, or athlete if not attached to a team, being barred from participating in any future events sanctioned or approved by Michigan Swimming until the fine is paid.

Acceptable proofs include printed meet results which clearly identify the meet host, meet location and meet date as well as the name of the event and the names, clubs and times of other swimmers in the event. The **preferred** proof is an unlocked Meet Manager backup of the meet. Team Manager export files are also acceptable but are not preferred. Computer printed award labels and/or time cards signed by a meet referee are **NOT** acceptable for proof purposes.

**Relay Proof of Time** - With the OME system, THE TEAM OWNS THE TIME and the only proofs needed are if a team overrides the entry time (i.e. Uses a "custom time") and does not swim equal to or faster than the cut.

If an override (custom) time is used for the relay entry and the team is DQ'd or swims slower than the cut, then they will have to prove the time after the meet.

This is done by proving the aggregate time for the four individuals who actually swam on the particular relay within 30 days following the conclusion of the meet to the Michigan Swimming office. The aggregate time to be proved need not be equivalent to the submitted entry time for the relay, however, the time must be at or faster than the qualifying standard for the relay event.

Aggregate proof times must all be equivalent (i.e. all SCY, all SCM, all LCM). All times must have been achieved during the qualifying period and conversions may not be used in determining the submitted proof of time. Failure to prove a qualifying aggregate time within the 30 days will result in a fine of \$100 payable immediately to Michigan Swimming. Failure to pay the \$100 fine will result in that team being barred from participating in any future events sanctioned or approved by Michigan Swimming until the fine is paid.

**Entry Fees** - The fees are **\$10.00** per individual event and **\$15.00** per relay. Please include a **\$5.00** Michigan Swimming Athlete Surcharge and a \$2.00 Indiana Swimming Athlete Surcharge for each swimmer entered. Entry fees will be invoiced to each team's Michigan Swimming account. If a team has

an ACH or Credit Card on file, it will be billed. All other entry fees may only be paid by check. Please make checks payable to:

**Michigan Swimming**  
**2245 Knollcrest, Rochester Hills, MI 48309**

**Entry Open/ Deadline** - The website for entries is as follows, [www.USASwimming.org/OME](http://www.USASwimming.org/OME) and going to: 2022 MS 13/14 & OPEN ULTRA SUMMER CHAMPIONSHIP. OME entries will **open** on July 14, 2022 and **close** at 12:00 pm (noon) July 25, 2022. Entries submitted will not be considered as officially received until the host team has received the following:

Signed Release and Waiver Form and the Certification of Registration Status Form.

All paperwork and full payment may be mailed, or hand delivered but **must be received by** Thursday, July 28, 2022 for your team to participate in the meet.

**Missed Entry** - A Coach or an Entry Chair who has made an honest mistake and inadvertently failed to enter a swimmer and/or swimmer in an event by the entry deadline may then do so by: entering the athlete(s) and/or event(s) by the scratch deadline of the first day of the meet, paying a fee of \$100.00 per team and double the entry fee for the event, and providing a paper proof of time (meet results) to the Meet Referee at the time of the entry. These fees will go to the meet host for the administrative burden resulting from late entry. The Meet Referee's decision on missed entries is final and non-appealable.

**Relay Entry** - Each team may enter no more than two (2) relays in a relay event. Relay entries must be designated as "A" and/or "B". "A and/or B" relays must be entered with a seed time, and the seed time must be at or faster than the qualifying standard for the relay event. "A and/or B" relays may be entered without proof of a qualifying time. Teams may enter relays by entering a relay time for the team which is already in SWIMS, by entering an aggregate time from SWIMS, or they may enter a custom time for the relay(s). Swimmers participating in an individual event(s) are eligible to compete on an A or B relay.

All relay swimmers must be entered using OME. Athletes not on the OME entry report are not eligible to swim at this meet.

**Refunds** - There are no refunds in full or in part once a team or individual entry has been entered into OME and you have checked out.

**Declaration Of Relay Swimmers** - There will be positive check for relays. Relays will be checked in and the names and order of relay swimmers and alternates should be initially declared by:

11:00 am Friday for the 400 Freestyle Relays  
6:00 pm Friday for the 200 Medley Relays  
11:00 am Saturday for the 800 Freestyle Relays  
6:00 pm Saturday for the 200 Freestyle Relays  
11:00 am Sunday for the 400 Medley Relays

The order of relay swimmers may be changed **before** the start of the relay heat. If the relay fails to swim in the final order as declared on the lane timer sheet - the relay will be disqualified.

**Marshaling** - This is a self-marshaled meet.

**Scratch Rules** - All individual events will conform to the USA National Scratch Procedures Article 102.4.

Early Team or individual scratches for all Friday events will be accepted at [Escratch@miswim.org](mailto:Escratch@miswim.org) on Thursday July 28, 2022 from 8:00 AM to 6:00 PM.

**Scratch Deadline For All Final Events** - Thirty minutes after the qualifiers for the event are announced. (See USA Rule 207.11.6 D and E).

#### **Penalties For Failure To Compete -**

**Preliminary Events** - If a swimmer fails to drop his/her scratch card by the time stated for the event and fails to compete in that event, the swimmer will be barred from all further preliminary individual and relay events of that day. Additionally, the swimmer will not be seeded in any further individual events on succeeding days unless that swimmer declares intent to swim prior to the close of the scratch box for that day's event. (See Meet Referee or his/her designee).

**Finals** - If a swimmer qualifies for a finals event as a result of his/her preliminary swim and fails to properly scratch or fails to properly declare an intention to scratch pursuant to the rule within 30 minutes after the final qualifiers are announced, and fails to compete in that event final, the swimmer will be barred from further competition for the remainder of the meet.

NOTE: If a swimmer declares that he/she may want to scratch an event but does not return to confirm that scratch within 30 minutes following the conclusion of the swimmer's last event, the swimmer will be seeded into the Finals event, and will be similarly penalized if the swimmer does not compete in Finals. (See Meet Referee or his/her designee).

**Additional \$50 Penalty** - In addition to the procedures and penalties stated above, if a swimmer participates in any event in this meet and then fails to compete in his/her last scheduled individual event of the meet without being properly scratched for that event, he/she shall be fined \$50 payable immediately to MS.

The swimmer is not allowed to compete in any subsequent MS sanctioned or approved events until the fine is paid.

**Results** - Official results will be posted following the conclusion of the meet on the Michigan Swimming Website at [www.miswim.org](http://www.miswim.org). Unofficial results will also be available (HY-TEK Meet Manager) to coaches only (Coaches must provide a flash drive). Please use Meet Mobile for Unofficial live results.
